This Cd is a package of pure, modern blues/r&b, joy. Having know each other since they were kids David Raitt and Jimmy Thackery decided it was time to join forces and see what they could do in the studio together. These recordings not only feature David's wonderful vocal skills and Jimmy's explosive guitar work but also some fine song writing by both. As a special bonus there is the guest appearance of David's sister Bonnie Raitt helping with vocals on two tracks. Add powerful rhythm and horn sections and, well, "That's it!" ---cdbaby.com
