Many people have discovered Nuno's latest CD, "Twelve Hours", on CDBaby, and have tried without success to obtain his prior CDs. Now "Blues On the Outside" joins "Texas Bound"--two of the best CDs recorded by the man known in Austin as "The Beast from the South." "Blues on the Outside" includes great originals, as well as a version of Jimmie Vaughan's "Motorhead Baby" that will blow you away. --cdbaby.com
