The John Dummer Band also known as John Dummer's Blues Band, John Dummer's Famous Music Band was a British blues band, of the 1960s and 70s, who "hung forever on the cusp of a major step forward, but never quite made it". It was noted for its extensive roster of members, including Graham Bond, Dave Kelly, Jo Ann Kelly, Tony McPhee and Pick Withers, and for supporting US bluesmen such as Howlin' Wolf and John Lee Hooker on UK tours.
