I am a professional musician, based in Chicago, and have a huge collection of blues recordings. I have always been impressed with Phil Guy. As a guitarist/vocalist, Phil is at the top of his game. And, he's quite the likeable person. I became a dedicated Phil Guy fan upon hearing this CD! This is wonderful music. I listen to it over and over and over again and enjoy it every time. I take it everywhere I go and play it for all my friends. This is an absolutely must-have CD. ---R.G. Pasenko, amazon.com
