This CD is very guitar oriented and his most blues record to date. The songs cover everything from 30's solo Delta Blues (Six String Lover), to 40's jump, (Jump Right To It co-penned with John Mars), early 50's Chicago blues (If You Were My Woman), 50's party blues,(Your Pleasure Is My Business) 60's rhythm & blues,(Funk This) and 70's blues,(Soul Lover) 80's rockin' blues, (King Of The Blues, Rock 'Til We Drop") and of course the present as de Keyzer has penned all the tunes. A song writing tour-de force, as well as an excellent outlet for de Keyzer's virtuostic guitar stylings, look for a very timely funk blues tune called "The Answer". ---amazon.com
