On their self-titled debut disc, KAMCHATKA (an incredibly kool power trio "riff machine" from Sweden) deliver an awesome set (14 trax - 59 mins.) of heavy duty, get-down bluesy, cyclopedic, authentic, retro-70's heavy guitar power trio "riffage" that is unbelievably killer. KAMCHATKA is brain-damaing beyond belief and the REAL deal when it comes down to outstanding killer power trio rock.

KAMCHATKA features three amazing players in the form of Thomas Andersson on guitar & vocals, Rojer Ojersson on bass & vocals and Tobias Strandvik on drums. The band work together as a whole musical unit combining guitar-melting solos, slicked-up pseudo-Hendrix grooves with an incredibly powerful tight rhythm section to create a sound that is pure, convincing and all their own. Hitting hard with a fantastic, hard driving, raw, blistering, all-out musical assault and sounding like they landed from 1973, KAMCHATKA have legitimately created an authentic, classic retro-70's heavy guitar power trio vibe.

Thomas Andersson is an amazing gifted bluesy axeripper who makes a powerful musical statement on the guitar. His playing is right up there with the best of them.

Serious heavy guitar freaks that are in tune with the Grooveyard know that we are heavily into and support outstanding Swedish axemasters like Clas Yngstrom (SKY HIGH), Emil Fredholm

& Christian Neppenstrom of PLANKTON, Thomas Larsson, Janne Stark, etc. Thomas Andersson of KAMCHATKA is no exception and his killer guitarwork is in the same league as those awesome players. They take the guitar seriously in Sweden and stick to their guns (musical roots) without following the latest fads & musical trends. Swedish axerippers are all about the guitar and they know what time of day it is when it comes down to REAL guitar playing. There must be something in the water over there in Sweden!

The KAMCHATKA disc is HIGHLY recommended to fans of HENDRIX (THE MAN!), TROWER, FRANK MARINO & MAHOGANY RUSH, CREAM, MOUNTAIN, JOHNNY WINTER, CACTUS, STRAY DOG, CAPTAIN BEYOND, BUDGIE and new school power trio players like ERIC GALES, WARREN HAYNES (GOV'T MULE) and FIREBIRD, to name a few. Imagine if FRANK MARINO & TROWER jammed with HENDRIX & CREAM in MAHOGANY RUSH-LAND and you start to get the "musical picture". Kamchatka are the REAL deal when it comes down to seventies guitar god rock and their awesome "live in the studio" version of "I Love Everybody" by JOHNNY WINTER is worth the price of admission alone and will make a true believer out of you.

The bottom line is that KAMCHATKA are the real deal when it comes down to classic, outstanding bluesy heavy guitar power trio rock and if you dig this super-sonic way-kool style of music, then look no further than the mega-awesome debut disc by KAMCHATKA. Exclusively released on GROOVEYARD RECORDS, a new label dedicated to outstanding TOTAL GUITAR music from around the world. ---cdbaby.com
