- 9-Love Me Tender

[play](#)

[play](#)

- * Albert King – Electric guitar and vocals
- * Michael Toles – Guitar
- * Marvell Thomas – Piano and organ
- * Donald "Duck" Dunn – Bass guitar
- * James Alexander – Bass guitar
- * Willie Hall – Drums

Originally titled King Does the King's Thing, here's Albert King adding his own touch to a batch of Elvis Presley tunes. Because King's style is so irreducible, the concept actually works, as he fills this album with his traditional, high-voltage guitar work and strong vocals. That isn't surprising, since four of the nine tunes on here originally started as R&B hits covered by Presley, including an instrumental version of Smiley Lewis' "One Night." No matter what the original sources may be, though, this is a strong showing in King's catalog. ---Cub Koda, allmusic.com
