Jeremiah Johnson's superior song writing; backed up by his incredibly sexy voice, and fantastic fret work, demonstrate his three dimensional ability to provide music that virtually anyone can appreciate... young or old... Rocker... Blues Man... Jazz Man... or Country Sh*t kicker, JJ Grinds out a down Home feel good rhythm that touches Home.

JJ works hard every day. He Grinds out an "Honest Forty" for the Man, and still finds time to continuously produce a fantastic resume of titles, and play gigs throughout the week. His music is capable of toping the charts... Jeremiah is a true Rock'n Blues & Roots Man of the highest order.

The only thing better than Having The Jeremiah Johnson Band spilling out of your speakers, is going out and watching these guys LIVE. ---Bob Molinary, cdbaby.com
