Cash McCall – Cash Up Front (1988)

1 Girlfriend, Woman, And Wife 2 My Heart Is Crying 3 Your Lovin' Don't Come Free 4 Doesn't Matter At All 5 Don't Change On Me 6 Mama Didn't Lie 7 You Were Talkin' In Your Sleep 8 It's My Turn 9 Slipped, Tripped 10 You Make The Sun Shine Cash McCall – vocals, guitar Phil Upchurch – guitar Billy Mitchell, Richard Tee, Les McCann – piano Welton Gite, Nathan East, Kenny Wild – bass Stanley Behrens – harmonica Chuck E. Burke – drums

An excellent, varied blues and R&B album, it has ten original compositions. Top-notch session musicians give this the sheen of studio perfection rather than bar-band rawness. Yet McCall can still get down in the alley, as he does on the cheatin' story "Girlfriend, Women, and Wife." --- Niles J. Frantz, Rovi
