Ezell – piano Thomas A. Dorsey – piano Eddie Miller - piano Frank James - piano Tampa  
Red – guitar Bob Campbell - guitar (prob.)

14 track compilation split evenly down the middle between Bogan and her main piano accompanist, Roland, who also doubles on guitar on some tracks. The Bogan sides are a particular delight, featuring a version of "Barbecue Bess" that is nothing short of sublime. As all of these tracks are rescued off highly battered 78s, the fidelity is about what you would expect. But that's no reason to deter you from enjoying this timeless music. --- itunes.apple.com
