"A blues and roots record as prudent spring sunshine, pleasant and warming."
---bluesmagazine

Songs full of blues and pop that will take you to familiar ambiguous situations. Eva and her band bring fresh vintage vibes, influenced by their musical heroes.

Eva's musical career kick started years ago with the release of 2 singles and an EP. She has been playing a series of shows from on-air radio performances to intimate theaters to larger festival stages; Dutch radio stations such as 3FM, Radio 1, 5, and 6, Oerol, support acts for dutch artists like De Dijk, Krystl and Dany Lademacher's Wild Romance.

The first single of her album "While we re waiting" and full debut album AGAINST THE GRAIN are out now! --- evaalmagor.nl
