Different, but great blues. First few seconds of CD are misleading, it's pretty much old school blues progressions, (kind of) with incredible harmonica. A lot of french influence, not new orleans french. A great recording! ---Bryan L. Bridges, amazon.com

In 1984, Blue's track "Another Man Done Gone", appeared on the compilation album, Blues Explosion. It won a Grammy in 1984 for Best Traditional Blues Album.
