Maggie Bell - Live Boston USA (1975)

1 *Coming On Strong* 2 *Wishing Well* 3 *I Was In Chains* 4 *What You've Got Is So Good* 5 *If You Don't Know, I Can Tell You* 6 *I Saw Him Staning There* 7 *Pencillin Blues* 8 *Goin' Down*

MAGGIE BELL's career has been both lengthy and distinguished, and her work with the legendary STONE THE CROWS, an impressive solo back catalogue and the obscure but impressive MIDNIGHT FLYER cemented her position as one of the finest female blues/rock vocalists of the last 30 years. These live recordings have been taken from Maggie's personal tape archives and show her on brilliant form opening for BAD COMPANY at Boston Music Hall, USA during 1975's tour of the USA. Charles Shaar Murray said of her live performances that year "'I mean no one this side of Mao Tse-Tung can upstage Maggie Bell'". That really summed up her performance as she took no prisoners and won over all audiences she performed to. --- Editorial Reviews, amazon.com
