Jeffrey David's BLUES CONNECTION is no ordinary blues band. There's really nothing else like it. While they will satisfy traditional blues fans, they are quite heavy, appealing to rock and metal fans as well, yet with an explosive raw power that's delivered with all the feeling you'd expect from a traditional blues trio. JD's story-telling guitar solos take over where his powerful vocals leave off. Whether it's the blistering "Ballad Of Curtis Joe," the deep "How Blue Can You Get," or the ballsy "Road King," you're left wondering what hit you, and wanting more... lots more! ---jeffreydavid.ca
