Harp, Vocals - Little Sonny (Aaron Willis) Drums – Willie Hall Guitar – Bobby Manuel, Eddie
Wallis Horns – Bar-Kays Organ – Ron Gorden Saxophone – Tommy Williams

Originally released on Stax's short-lived Enterprise label, this finds Detroit harp man Aaron "Little Sonny" Willis backed by Memphis players working in an early-'70s blues-rock groove. The Bar-Kays provide the horn blasts, and although it would be a sin for Memphis players to overplay on anything, nothing here really catches fire; the whole session stays in low gear throughout. ---Cub Coda, AllMusic Review
