'The material we decided to focus on for 'Blue Plate Special' is mostly blues based but also incorporates a lot of other more contemporary soul, rock, funk and even psychedelic elements that push my boundaries in a number of different directions,' Carney elaborated, 'this release breaks a lot of new ground for me.' 'Blue Plate Special' was recorded at Tony's Treasures in Cadiz, Ohio and produced by Shaun Booker, Sean Carney and Mark Puskarich and the release features the incredible work of keyboardist Bobby Floyd, who has recently been touring with Dr. John and The Count Basie Orchestra. Released on Carney's own Nite Owlz Records, this release includes a tribute to late blues icon B.B. King. ---bear-family.com
