Queen Of Fire is an all-original album of songs written by Janie Cribbs and Joe Reggiatore and recorded with the T.Rust Band on a little island nestled in the great Pacific Northwest's Puget Sound.

All of the songs and especially the title cut "Queen of Fire" are a tribute to women everywhere who have experienced the struggle and strife of being a strong woman through the ages.

Dedicated to such pioneers of the music world as Sister Rosetta Tharpe, Big Mama Thornton, KoKo Taylor, Mavis Staples, Etta James, Aretha Franklin and Janis Joplin who all have the common thread of standing tall - despite huge obstacles, singing their hearts out to the world, telling their stories - voices filled with fire, hope and some sassy anger. ---cdbaby.com
