Dr. Ross – Call The Doctor (1965)

1 *Cat Squirrel* 2 *Blues & Trouble* 3 *Freight Train* 4 *Illinois Blues* 5 *Hobo Blues* 6 *Mama Blues* 7 *My Little Woman* 8 *Dr. Ross' Rock* 9 *32-20* 10 *Good Morning Little Schoolgirl* 11 *Chicago Breakdown* 12 *China Blues* 13 *Blues In The Night* 14 *Going To The River* 15 *Driftin' Blues* 16 *Fox Chase* 17 *Jivin' Blues* Doctor Ross (vocals, guitar, harmonica).

If you're looking for one-man blues, this is one of the better efforts in that vein available. Ross is in fine form and strong voice on his first full-length album, sometimes pulling out as many stops as his limbs allow for all-out stompers, at other times just accompanying himself on harmonica. The tracks are largely adaptations of well-worn material like "Good Morning, Little Schoolgirl," "32-20," and "Going to the River"; the opening blast of "Cat Squirrel" is especially good. The one-man band approach gets a bit wearing over the course of 17 songs, though, unless you're a sucker for the style. The CD reissue adds the previously unissued bonus track "Jivin' Blues."
--- Richie Unterberger, Rovi
