Hound Dog Taylor & The House Rockers – Natural Boogie (1974)

1. *Take Five* 2:44 2. *Hawaiian Boogie* 2:42 3. *See Me In The Evening* 5:08 4. *You Can't Sit Down* 3:25 5. *Sitting At Home Alone* 4:19 6. *One More Time* 2:26 7. *Roll Your Moneymaker* 4:02 8. *Buster's Boogie* 3:22 9. *Sadie* 6:13 10. *Talk To My Baby aka I Can't Hold Out* 3:17 11. *Goodnight Boogie* 3:24 Musicians: Hound Dog Taylor (Guitar,Vocals), Ted Harvey (Drums), Brewer Phillips (Guitar).

Hound Dog Taylor's second album was every bit as wild as the first, bringing with it a fatter sound and a wider range of emotions and music. A recut here of Taylor's first single, "Take Five," totally burns the original while the smoldering intensity of "See Me in the Evening" and "Sadie" take this album to places the first one never reached. ---Cub Coda, allmusic.com
