James Cotton - High Compression (1984)

1. *Diggin' My Potatoes* 2. *Ying Yang* 3. *23 Hours Too Long* 4. *No More Doggin'* 5. *No Cuttin' Loose* 6. *Ain't Doin' Too Bad* 7. *Sunny Road* 8. *Superharp* 9. *Easy Loving* 10. *High Compression* James Cotton (vocals, harmonica); Magic Slim, Michael Coleman (guitar); Douglas Fagen (tenor saxophone); Danny Fields (trumpet); Johnny Cotton (trombone); Pinetop Perkins (piano); Eddie Harsch (keyboards); Robert Covington, Ray Allison (drums).

This is the best contemporary James Cotton album gracing the shelves, thanks to its ingenious formatting: half the set places Cotton in a traditional setting beside guitarist Magic Slim, pianist Pinetop Perkins, and a solid rhythm section; the other half pairs him with a contemporary combo featuring guitarist Michael Coleman's swift licks and a three-piece horn section. Both combinations click on all burners. High Compression includes the scorching theme song "Superharp." ---Bill Dahl, allmusic.com
