John Lee Hooker (vocals, guitar, acoustic guitar)

This is a great blues album from John Lee Hooker. A great example of one chord blues structure intermixed with Hookers unique vocal style. Leading off with Black Snake, one of Hookers best, the sound quality of the recording makes this album a gem. It was recorded in 1959 and on good stereo it will put JLH right in the room in front of you! If you like Blues done acoustic then this is a must have album. ---beбето, amazon.com
