1970 album from Columbia by the great blues/rock guitarist Winter with Rick Derringer, Randy Hobbs & Randy Z. Contains all 11 original tracks including the hit 'Rock & Roll, Hoochie Koo', & the original cover art. For over 30 years, Johnny Winter has been a guitar hero without equal. Signing to Columbia records in 1969, Johnny immediately laid out the blueprint for his fresh take on classic blues a prime combination for the legions of fans just discovering the blues via the likes of Jimmy Page and Eric Clapton. Throughout the '70s and '80s, Johnny was the unofficial torch-bearer for the blues, championing and aiding the careers of his idols like Muddy Waters and John Lee Hooker. Sony. ---Editorial Reviews

Some real Hendrix influences on several tracks. A fantastic record, but the CD is not as clear as
