Personnel: Popa Chubby (vocals, guitar); Mitch Margold (piano); George Laks (piano, organ); Mike Leslie (bass); Tom Major (drums); Rich Monica (percussion).

Popa Chubby's major-label debut album is an inspiring set of energetic, gut-bucket blues-rock, filled with exceptional playing. Chubby has soul, even if he doesn't quite cut it as a songwriter; there aren't many songs that are inventive or memorable. But as an instrumental workout, *Booty and the Beast* is terrific. Using the blues as a basic foundation, Popa Chubby spins off into new directions, incorporating bits of rock and jazz to his forceful playing. His guitar playing is what makes the album a promising debut. ---Stephen Thomas Erlewine, Rovi
