Recorded live at B.B. King's Blues Club, Memphis, Tennessee on December 10-11, 1993.

You'd dig around a long time to find a better band. If there is one out there, I've never heard them. The world-famous music critic Pete Welding says, "For anyone with ears to hear, it should be readily apparent that Rod Piazza is one of the very best blues performers currently active." This writer would concur and add that as far as I know, there is not now nor has there ever been, a better harp player. ---Dave Nicks, Bluesletter, Nashville
