Lord Finesse - Vocals Mooseman - Bass Van Dyke Parks - Piano Penthouse Players Clique -
Vocals Public Enemy - Vocals Sir Mix-A-Lot - Composer, Producer, Vocals Larry Taylor -
Bass WC and the Maad Circle – Vocals

This first soundtrack album from *Trespass* (there is also an album of Ry Cooder's score) contains "music from the motion picture" "plus bonus tracks." It is a gangsta rap sampler featuring Ice-T and Ice Cube, who star in the film, along with Public Enemy and others. In other words, there's a lot of rage, many threats of violence, and a generous helping of obscenities, all set to some busy rhythms. ---William Ruhlmann, Roci
