For his newest recording, "Someone Like You," Albert chose to record in Southern California with Grammy-winning producer David Z. (Buddy Guy, Prince, Jonny Lang, Gov't Mule) at the helm. Said Z, "Albert Cummings writes, plays, and sings the blues like nobody else. What a blast to watch him jell in the studio with some of the best musicians in Los Angeles." One of those musicians was Blind Pig labelmate and leader of The Basic Cable Band on the Conan TV show, Jimmy Vivino, who performs on three cuts. Cummings said, "I'm tremendously excited about this CD and the team of people that will be working this record. It was such a pleasure to also work with David Z and Jimmy Vivino and so exciting to share their excitement about the potential this record has." ---Editorial Reviews, amazon.com
