- Budapest Clarinet Quintet Pál Sólyomi (Clarinet), Zsolt Szatmári (Clarinet), Béla Kovács (Clarinet), Akos Acs (Clarinet), László Kraszna (Clarinet), Béla Kovács Jr. (Percussion).

I bought this CD on a whim for the music and the low price, and it was a great and pleasant surprise. It is one of my favorite CDs. The clarinet playing is superb and the ensemble exquisite.

The music is borrowed from many sources and is varied and appealing. Anyone who enjoys clarinet music, fine ensemble playing or light classics will not go wrong with this selection.

I have played part or all for many varied music friends and it always brings a smile. A bonus for those who play in clarinet quartets/quintets/ensembles, many of the arrangements are available. I am a long time clarinet player and can be very critical or blase', but this music is just right. My only complaint is that I would like to hear more from the ensemble... ---Ann Satterfield, amazon.com
