Marcel Dupré – organ Marcel Dupré playing the organ at St. Thomas Church, New York City

This is indeed a true GEM. I have the original recording, Mercury did a first rate transfer. The recording was made 10/1957 CD transfer 1992. The sound is crisp clean and clear. Shut your eyes YOU ARE THERE, a must for organ lovers. This is only one of the many recordings Marcel Dupre' made in his 85 years. The organ was built by Ernest M. Skinner Organ Co. In 1913 at the St. Thomas Church, New York City. Mercury has four or more masters with M. Dupre' at Sainte-Suplice in Paris, France everyone, that means you. Let Mercury know you would like these to. Thanks ever so much. ---jerry lee hoy, amazon.com
