London Mozart Players

Matthias Bamert – conductor

Recorded in St. Jude's Church, London, NW11 on 11 & 12 November 1993.

The works recorded here are from 1803 and (probably) from around 1820. The earlier work seems tighter in construction while the later work has a pre-Romantic expansiveness that mirrors the direction Beethoven was taking in his later symphonies. Both are memorably tuneful and exhibit expert development of their melodic material.
