Berio's most celebrated opus is what a friend describes as a "kitchen-sink work:" the Italian composer, in a display of exuberance and virtuosity, seems to have synthesized all of his disparate preoccupations and fascinations--Samuel Beckett, Martin Luther King, Mahler, the anthropologist Claude Levi-Strauss--into an intensely personal orchestral fantasia. The result, which the composer describes as "perhaps my most experimental work," is ultimately joyous. Pierre Boulez conducts. --Joshua Cody

Luciano Berio was commissioned to write a work for the New York Philharmonic's 150th anniversary. What resulted was the Sinfonia, a masterpiece of the twentieth century musical movement. This work combines many of the Italian composers fascinations - from Mahler to Martin Luther King - and sympathizes them. The result is fascinating, stimulating, and thoroughly enjoyable. Boulez's interpretation is really top-notch. He leads the orchestra with great power, gusto, and energy. This vision is evident, especially in the third moment of the piece. Berio here takes the Scherzo from Mahler's second symphony and "pastes" in other
