Beautiful and tranquil. And yet, very unique in the Ambient genre - not just synth. Clem uses a nice balance of delicate guitar and synth to create a beautiful landscape. I particularly like the piece "Burleson, TX". It's as if I'm transported to a sweet summer day in Burleson Texas. The CD is short but well worth the small investment. ---D. Christensen, amazon.com

□ Clem Leek MA is a composer, sound artist & sound designer from the UK. He draws from a range of genres to create a unique & contemporary style and is now a well recognised name in the 'Modern Classical' genre.

□ Trained as a pianist from a young age, Clem Leek grew up around music, picking up every instrument he could lay his hands on. He often uses the beauty of natural surroundings from his childhood and personal experiences as inspiration for his works.

Releases include such works 'Lifenotes' (2011), a mixture of very personal delicate piano & guitar works, 'Holly Lane' (2010), a vast and beautiful textural exploration into the world of classically driven soundscapes and 'Rest' (2013), a stunning example of gentle guitar
