*1 Snow Tale #1 2:58 2 Snow Tale #2 4:53 3 Snow Tale #3 7:30 4 Snow Tale #4 6:02
5 Snow Tale #3 (Glacial Remix Version) 7:26*

This is an EP, recorded and written in two days whilst the snow was falling outside my house. Each track, even though bundled in an E.P is its own separate entity and relates to different times of the day, different snowy weather conditions and consequently different emotion. I hope you enjoy it. --Clem Leek, discogs.com

Clem Leek is a UK based composer and multi-instrumentalist (piano, violin, guitar, and various other instruments). He studied at Bath Spa University and earned a Creative Arts degree; following it up with a Masters in Music Composition. He finds inspiration among his neo-classical contemporaries such as Max Richter, Keith Kenniff, Nils Frahm, Peter Broderick and Dustin O'Halloran as well as minimalist pioneers Steve Reich and Philip Glass.
