Try to forget the fact that Bing Crosby probably never had to record another song in his life after he immortalized "White Christmas." If you can do that, you'll find plenty more to like in this crooning Christmas collection. There's the Romantic Bing, charming the tinsel right off the tree. There's the Reverent Bing, solemnly singing "Adeste Fideles." And of course, there's Bing the Showman. But no matter what you're told, "White Christmas" will be the number one reason for sticking this one in your stocking. And who can blame you? It's as timeless now as it was way back when. ---Steve Gdula
