The music on The Swingin's Mutual!, a dozen selections featuring the George Shearing Quintet includes six that have vocals by a young Nancy Wilson, and has been reissued on CD by Capitol with five additional tracks. This was one of Wilson's most jazz-oriented dates (even if she was never a jazz singer) and is highlighted by her vocals on "The Nearness of You" and "The Things We Did Last Summer" along with instrumental versions of "Oh! Look at Me Now,"
