Lyle Mays Quartet - The Ludwigsburg Concert (2015)

01 Fictionary 02 Either Ornette 03 Chorinho 04 Lincoln Reviews 05 Hard Eights 06 Disbelief 07 Are We There Yet 08 Au Lait 09 August Lyle Mays (Piano) Bob Sheppard (Sax) Marc Johnson (Bass) Mark Walker (Drums)

This is one of his best live performances from his Quartet dating back to 1993. Lyle has always been one of the most prolific and inspirational jazz musicians of our time.

I'm proud to say Lyles' name in the same breath with Keith Jarrett, Herbie Hancock, Chick Corea, Bill Evans, Oscar Peterson, and Beethoven. All of the members of the Quartet band are first class. I have a special call out to Marc Johnson, Bob Sheppard, and Mark Walker as prolific and well known players whom contributed to the music with clear precision and passion. I have recordings of Mark Walker with "Oregon", Marc Johnson with the late "Bill Evans", Bob Sheppard with "Chick Corea" and Lyle with...well we all know. This is a great powerhouse of musicians.

This a classic recording that belongs in every household seeking beautiful jazz music(or just beautiful music). I look forward to and I hope for future Lyle recordings in various forms: Solo, Sextet, Quartet, and in Pat Metheny Group form! Maybe another duet with Pat? Let' s go Lyle!

Rock on great recording, five stars! --- Travis Wade Evans, amazon.com
