This year New Cool Collective will be celebrating their 20th anniversary.

The album 'Chin Chin' is out now as a special deluxe edition cd and LP and as digital download! It is a record containing many different styles; think crime jazz, burlesque and Ian Siegal's Swagger. Austro-Hungarian-American director, producer and actor Otto Preminger was also an influence for the band. The album consists of new recordings as well as tracks written specially for the soundtrack of the film 'Toegetakeld door de liefde' (Devastated by Love) by Ari Deelder.
