“Then along comes 21-year-old Polish singer Monika Borzým and her debut album *Girl Talk*, and it becomes possible to believe that there will always be artists who want to explore the creative possibilities of a piece of music, jazz standard or some more popular piece. Following in the traditions of Ella Fitzgerald, Carmen McRae, and Anita O’Day, Borzým says she loves playing with “melody, phrase, and rhythm.” ---monikaborzým.com
