Hilde Louise Asbjørnsen is a rare and wonderful combination, equal parts musician, poet and storyteller. This enjoyable Scandinavian lady is hailed by Norwegian press as "three parts Monroe and one part Holiday". Hilde Louise's poetry is hypnotic. Her instrumental arrangements are like dark, expensive chocolate - rich, sweet-tasting, and very satisfying, while leaving you wanting more! Hilde Louise Orchestra, a collection of Norway's best known musicians, is led by keyboardist and musical director Anders Aarum. --- Skoot Larsson, skootsjazz.com
