Badi Assad - Rhythms (1996)

Pulo do Gato

À Gandáia das Ondas/Beppo

À Primeira Vista

O Choro de Juliana

Rhythms

Song for Badi

Bate-Coxa

Feixe

Quase Um Funk P'ra Badi/Vírus

Laser

Ica

Pau Brasil

Moods - Ba

Carta a l'Exili

Badi Assad - Arranger, Composer, Guitar, Vocals

While Badi Assad isn't a jazz singer per se, the singer/acoustic guitarist clearly thrives on improvisation and spontaneity. This is no doubt one of the main reasons she ended up on the jazz-oriented Chesky Records. When *Rhythms* was recorded at St. Peter's Episcopal Church in New York, Chesky treated the project much as it would treat a jazz recording -- the tape was rolling, and Assad was encouraged to simply let loose and blow. No overdubbing took place, and this very honest and straightforward approach makes for a riveting listen on songs by Chico César, Marco Pereira and other Brazilian composers. Although the vast majority of her influences are Brazilian, Assad's Lebanese heritage is a definite advantage on the magnificent and varied *Rhythms*. -- Alex Henderson, Rovi
