Chet Baker – The Touch of Your Lips (1979)

1. *I Waited for You* 2. *But Not for Me* 3. *Autumn in New York* 4. *Blue Room* 5. *Touch of Your Lips* 6. *Star Eyes* 7. *Autumn in New York [Take 2][#]* Personnel: Chet Baker - Trumpet, Vocals Doug Raney - Guitar Niels-Henning Orsted Pedersen – Bass

This was the perfect setting during his later years. The trumpeter (who also sings on two of the six songs) sounds very relaxed and comfortable while accompanied by the duo of guitarist Doug Raney and bassist Niels Pedersen, taking some consistently lyrical solos on the six standards. ---Scott Yanow, Rovi
