Dave Brubeck – Time Changes (2004)

1. Iberia 2. Unisphere 3. Shim Wha 4. Worlds Fair 5. Cable Car 6. Theme From Elementals 7. Elementals. Musicians: Dave Brubeck (piano) Paul Desmond (alto sax) Eugene Wright (bass) Joe Morello (drums) Symphony Orchestra, Rayburn Wright (conductor)

For this entry in Dave Brubeck's series of Time albums, his Quartet with altoist Paul Desmond performs "Elementals" with an orchestra and plays five briefer originals including four that have unusual time signatures; "World's Fair" is in 13/4 time. It's not an essential purchase but a good example of Dave Brubeck's music.

Time Changes has the quartet on one side (including some odd time signature pieces), and the quartet plus a symphony orchestra doing a Brubeck "third stream" composition called Elementals (which the notes call a concerto for the quartet and orchestra). There is no recording date or copyright date, but I think it is from about 1963, shortly after Countdown. Lord places the the quartet sessions on 15/Oct/63, 20/Nov/63 and 3/Dec/63 and the quartet/orchestra sessions on 12/Dec/63 and 8/Jan/64. All recorded in NYC. ---Scott Yanow, Rovi
