Joining us from Italy, we have a famous singer, the extraordinary Barbara Casini, whose rich biography includes collaborations with musicians such as Stefano Bollani, Phil Woods, Enrico Rava, Lee Konitz. Her second musical homeland is Brazil, from the time when she discovered the bossa nova as a 15-year-old girl.

She comes with an excellent quartet, listing Van Gierig, Cologne-born but living in New York for over 20 years, retaining his links with Europe and also Latin American music. He recorded his last CD in collaboration with Paquito D'Rivera. ---jazzisbackbp.com
