Aimua Eghobamien's third album, *Brazen. Simple.*, with exquisitely crafted songs and poetry draws from influences that include his \square do heritage, jazz, blues, classical and folk music. *Brazen. Simple.* creates a non-linear memoir that exposes once private thoughts and shares significant periods in his life. His style can only be described—if it must—as post-beat urban contemporary jazz. ---aimuaeghobamien.com
