Chat Noir - Decoupage (2008)

1. *Dans la pluie* 2. *Città di mezzo* 3. *Soft focus* 4. *Impasse* 5. *Trilogy (Private eye; Colours; Closed room)* 6. *Via del Campo* 7. *Gare des ombres* 8. *L'elefante nel negozio di cocci* 9. *Noir451 (bonus track)* Michele Cavallari - piano Luca Fogagnolo - bass Giuliano Ferrari – drums

By organically and masterfully blending elements of Electronica, both Ambient and Concrete Music with structures arising out of chamber music and jazz, the innovative trio of pianist Michele Cavallari, bassist Luca Fogagnolo and drummer Giuliano Ferrari has come up with a wholly unique sound on Elec3Cities that may establish a daring new direction for the piano trio.

This delicate balance of electronic experimentalism and acoustic piano jazz has been evolving gradually from the group's initial release in 2006, *Adoration*, and continued on 2007's *Decoupage* through 2008's *Difficult to See You* and 2011's acclaimed *Weather Forecasting Stone*. --- rarenoiserecords.com
