Grazyna Auguscik & Paulinho Garcia – Fragile (2000)

1. *Noite Dos Mascarados* [play](#) 2. *Voce* 3. *Fragile* 4. *A Ra* 5. *Bridges* 6. *Cancao Da Estrada Sem Fim (Piosenka z niekończącej się drogi)* 7. *Batida Diferente* [play](#)

8. *Ponta De Areia* 9. *Ponteio* 10. *Samba Em Preludio* 11. *Agua De Beber* 12. *Esse Seu Olhar / So Em Teus Bracos* 13. *The Girl From Ipanema / Garota De Ipanema* 14. *So Danco A Samba*

Grazyna comes from Poland and sings in Portuguese, English and scats with Chicago Brasileiro Paulinho Garcia. This is a beautiful recording of vocal duets and acoustic guitar with some light percussion overdubs from Paulinho (he was once a percussionist in Brazil). The program consists of well-known Brazilian standards like *Voce*, *A Ra*, *Bridges*, *Agua de Beber* and *So Dance Samba* among others. My personal favorite is their treatment of Sting's haunting *Fragile*, a tune that is destined to become a standard.

Grazyna and Paulinho recently completed a very successful two-week tour of Poland; complete with two concerts that were broadcast internationally via the Internet on May 5 and 8. Paulinho told me that they received hundreds of complimentary emails from all over the world following these concerts. This is a recording of a new artist that is destined to go somewhere in the music community. --- jazzinchicago.org
