Chris Potter – Blue Note (Milano 2012)

1. *Five points* 2. *Wayfinder* 3. *Nausikaa* 4. *Work* Chris Potter – tenor & soprano saxophones David Virelles – piano Joe Martin – bass Gerard Clever – drums

Chris Potter is a powerful force in the world of modern jazz. His work as a sideman and as a leader demonstrates a broad array of influences, some deep within the jazz tradition, and others from recent popular trends or from 20th century classical music. No matter what the context, Potter's virtuosity and sensibility to the ensemble allow his playing to thrive and swell within the group.
