More tunes from the Pieranunzi-Johnson-Baron trio, to caress your ears. The trio's magic hits home again and heads straight for your soul, tickling it with new original compositions by Enrico, Marc, and Joey. Pure pleasure. "I once described Thelonious Monk's original recording of 'Ruby My Dear' as "sentiment without sentimentality". Enrico Pieranunzi's playing and compositions have that same quality in their own way. No doubt he is both a romantic and a deep thinker. The combination of heart and mind is a most valuable amalgam in any art form. The blend is mixed differently by each individual. Pieranunzi's is a heady brew whose aromatic essences draw you in. They make you think. More so, they make you feel." -- Ira Gitler
