Originally recorded in 1996, the ESBJORN SVENSSON TRIO's tribute to Thelonious Monk further establishes them as the hottest jazz act on the planet right now, as their recent UK dates have shown."Deeply lyrical, profoundly modern and beautifully balancing the tradition/innovation quotient, they have the sort of interplay that only comes from years using the same line-up (the thoughtful, unpredictable Svensson on piano plus Dan Berglund on bass and drummer Magnus Ostrom) and are currently among the most impressive of small groups in jazz...every cut is a feast of invention and beauty." --- Chris Ingham, MOJO
