Released in 2007 through his own Etage Noir Recordings label, Shine is the third album from Austrian producer, DJ, and electro-swing pioneer Parov Stelar. The follow-up to Seven and Storm features collaborations with Kristina Lindberg ("Come Closer"), Gabriella Hanninen ("Good Bye Emily"), and Luke ("Your Fire"), alongside the singles "Love, Pt 1" and "Shine."
---Jon O'Brien, AllMusic Review

I discovered the music of Parov Stelar in February of this year for my self and "Seven and Storms" is still one of my favorite albums. This album has now a successor: Shine. It's the same mixture of Jazz, Soul and Downbeat that made the first album one of my favorite albums. It's not as good as it's first one but it's still way beyond 95% of the trash that was published this year. My only critic remark to the album is the recycling of some ideas of the first album. You should listen: Your fire, Come closer and Homesick. ---Joerg Moellenkamp, c0t0d0s0.org
