John Scofield – Shinola (1981)

1. *Why'd Sou Do It ?* 2. *Yawn.* 3. *Dr. Jackie* 4. *Jean The Bean* 5. *Rags To Riches* 6. *Shinola* John Scofield, guitar Steve Swallow, bass Adam Nussbaum, drums

Shortly before joining Miles Davis' group, guitarist John Scofield recorded this passionate trio set with electric bassist Steve Swallow and drummer Adam Nussbaum. Much of Scofield's playing here is quite rock-ish although he does show off his jazz chops on Jackie McLean's "Dr. Jackle." The frequently intense music (which has been reissued on CD), which is not as essential as many of the guitarist's later sets, has plenty of fiery moments. ---Scott Yanow, Rovi
